Dear Friends,

One hundred and fifty four years ago, on the 9th August 1871, 28 men and women came together to officially establish Scapegoat Hill Baptist Church. There was a great need for a proper meeting place in the village, as the lack of a suitable building meant gatherings were held in houses, or people had to travel some distance to other chapels in the area. Another consideration was that a large proportion of the inhabitants of the surrounding area did not attend any worship meetings at all. There was much outreach undertaken from the outset to try and answer this sad situation, and by the end of 1874 the church membership numbers had risen to 74. It is worth mentioning that all the work of making it possible to bring about the founding of the church was done by the people themselves, in the few spare hours they had after a hard day's work – quite often till very late in the evening when they must have been very weary. There is still much to be done in spreading the truth of God's saving grace in this area. One thing that has not changed as time has passed, is the need to share the hope and joy which is to be found by letting the Lord Jesus be the focus and guide in life. There is nothing complicated about the message of God's love – he sent his Son to die for us. How can we refuse to accept this amazing gift which offers a more purposeful life, and the freedom from all that drags us down in this very troubled world.

Yours in Christ
Frances

For it is by grace you have been saved, through faith – and this not from yourselves, it is the gift of God – not by works, so that no-one can boast.
